Software Solution

Admin & Teacher Application

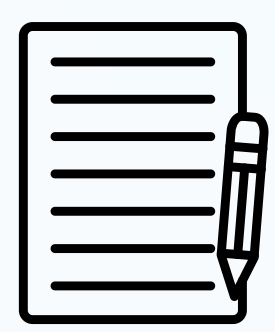

Real-Time Student Information

Access student profiles, performance, timetable, and remarks anytime, anywhere.

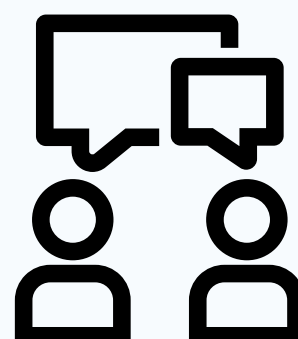

Quick Attendance Management

Teachers can take attendance in seconds using their mobile, saving time and ensuring accuracy.

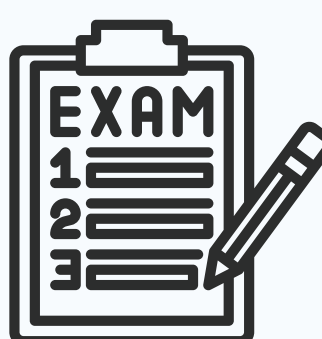

Homework & Assignment Posting

Upload homework, study materials, and assignment details directly from the classroom.

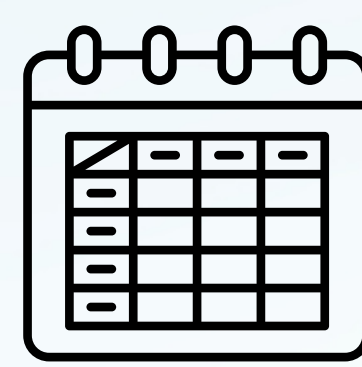

Instant Communication

Easily send announcements, homework, and messages to students and parents.

Simplified Exam & Marks Entry

Enter exam marks on the go and instantly update the school system without paperwork.

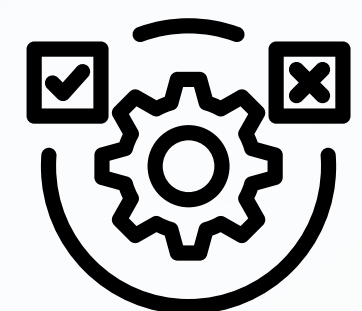

Timetable & Substitution Alerts

Get notifications for timetable changes, substitutions, and important updates.

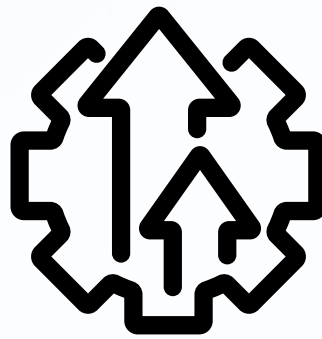

Digital Record Keeping

Reduce manual workload by maintaining digital attendance, marks, and reports.

Faster Decision Making

Real-time analytics and reports help teachers evaluate student progress quickly.

Increased Productivity & Convenience

Teachers can manage all academic tasks from their mobile, making everyday work smarter and faster.

Secure & Paperless Workflow

Eliminates paperwork, improves data accuracy, and ensures secure information handling.
